## Adolescent Health Center | Mount Sinai

The Adolescent Health Center at Mount Sinai delivers comprehensive medical and mental health services and prevention education to young people aged 10 to 22. It's the largest center of its kind in the United States providing confidential, quality health care and support services to underserved and at-risk youth, regardless of their ability to pay. Every young person who walks through their doors receives complete health care at no cost.

312 E 94th Street  
New York, NY 10128  
(212) 423-3000
